# Where Design Meets Distinction

Located on the most prestigious platform within Silversands, The 25 branded Villas occupy a truly unmatched position. As the first and only platform of its kind, it places residents just steps from the Mediterranean shoreline, offering direct beach access and sweeping, unobstructed views of the sea, sky, and curated coastal landscaping.

THIS IS BEACHFRONT LIVING WITHOUT COMPROMISE.

Each villa has been purposefully positioned to elevate its surroundings. The 4- and 5-bedroom villas are arranged in refined U-shaped clusters, placing main living spaces directly toward panoramic views of the coast and lush gardens. Just beyond, a private backyard connects seamlessly to indoor living and dining areas, complete with a sun deck and private pool designed for slow mornings, sunset hosting, or total retreat.

Crafted in partnership with the ARMANI/CASA brand, each home is a masterclass in understated luxury. Across four distinct typologies, the villas reflect ARMANI/CASA's signature aesthetic, the clean architecture, elegant flow, and timeless materiality.

Inside, every detail works together to elevate everyday living. A central open-air courtyard with a skylight brings light and movement into the heart of the home, creating a constant sense of openness and calm. This is not just a design feature; it's a lifestyle signature.

Smart planning ensures comfort at every level. Daily functionality is also considered, with dual kitchens, one closed for service, one open for casual living and entertaining, offering both discretion and flexibility.

Every villa includes built-in service quarters for housekeepers and chauffeurs, ensuring seamless full-time living without disrupting the home's flow or privacy. In-plot private parking adds to the sense of autonomy and ease.

For residents of The 25, the experience extends beyond the villa. Reserved beachfront lodges areas provide exclusive access to the shore, with your place by the sea always secured.

These villas are more than coastal homes. They're a statement, of taste, of quality, and of a life lived beautifully. The 25 Villas at Silversands offer an extraordinary blend of design, function, and location, backed by one of the world's most iconic names in luxury.
