“It’s time to introduce this glorious model to Egypt’s shoreline”.

”Nothing beats the beaches of the North Coast. But I had to bring the international Mediterranean flavor to our shores in an all-year-round living beach community that leaves no question unanswered. It really is the new pearl on the Mediterranean shore. This destination isn’t a matter of trial and error. We have created a Silversands haven before, with the utmost attention to detail, luxury, and immaculate experiences.”

The treasure of Siversands

Free living in the middle of the North Coast's most elevated development. Silvertown is a beautiful, private and young space that surges with free-spirited energy right in the middle of Silversands.

It is a commercial island experience in the form of a town that is made for lovers of life who walk barefoot on the sand and never compromise on freedom. It is the most sought treasure that is town-fully equipped on the North Coast, engraved with beautiful European alleys, designer shopping, entertainment hub, opulent medical facilities, a star-studded hotel, enchanting nightlife, a colorful piazza, adrenalin-filled clubhouses, captivating views from all angles, and sun-lit homes that take everyone's breath away.

It is an island town for a forever young and shapeshifting tribe that learn to appreciate the full spectrums of luxury, whether that be a simple gradient sky or a gourmet experience. They gather their energy from the rays of the sun, the kinetic energy of the land and the inspirations that life brings forth.

Following the main mantra of Silversands, it is a town living on its own terms.

An entire world in one town.

You could consider Silvertown to be an oyster with not just one, but many rare pearls.

The Heart is our piazza, surrounded by downtown condos experiencing the bustle and energy in the middle of the town. On the South side is a hotel housing the summer-frenzy visitors of the development on the border of the lagoon.

At the West peak lies the clubhouse/ night bar, providing constant sonic and experiential entertainment for whoever passes by. A little farther up is the second clubhouse that morphs into a wellness center, connecting souls of all ages together.

The third and final clubhouse at the East end satiates your hunger for fine dining in the evening after a long day of hosting individuals and families with creative activities and experiences.

Like any self-sufficient space should, Silvertown sets the stage for people to experience life in the most dynamic, free and expressive way.

Finally find what you're looking for

The beauty and uniqueness of Silvertown's offering come from the fact that you can find your desired home or summer abode unit in every segment of the town, be it waterfront or right in the middle of it all. Varying fully-finished air-conditioned units and amenities speak to solo riders or family people differently with shapeshifting amenities that morph into different roles as soon as the sun melts into the water.

No day or night ever feels the same at Silvertown.

*Where life 🌱, land 🌿
& water 🌀 are in full harmony.*

*Under the color-shifting skies of the North Coast,
speckled homes of all shapes and sizes rest in Silvertown.*

We have created different living concepts for **TERRA (land)**, **ALMA (life)**, and **ACCLARO (water)** that designate each zone of the Town with special attributes to cater to our resident's needs. This helps us bring like-minded people with similar energy frequencies and interests together, creating harmony and alignment in every area of the town.

alma (noun)
1. meaning “nourishing” in Latin.

Some enjoy being on the outskirts of it all. Others love to nourish their souls in the middle of all the happenings. The townhouses and condos of ALMA were designed for the life-loving spirits of Silvertown that want to be in the middle of the excitement, overlooking the bustle of the town's piazza.

acclaro (verb)
1. meaning “clear” or “pure” in Latin.

Water can always induce relaxation and increase the flow of blood to our hearts. The mere sight and sounds near the ACCLARO villas and townhouses purify and clear the mental noise you may have. These homes are for gentle-hearted water lovers who can spend hours taking in the blue gradients of the zen lagoon, right from their terraces.

terra (noun)
1. meaning “land” in Latin.

Terra was made for those who love to stay grounded and close to the energy they feel from the earth and shuffling sands. They engage with the scenic greenery around them and celebrate functional movements that fortify the bodies. Find your home “land” at one of the villas, twin houses, chalets and condos of Terra.

All year-round destination

Silversands North Coast is a luxurious hospitality destination that is elegantly premium at its core, yet vivacious in spirit. Considered to be Egypt's take on a hedonistic slice of the Mediterranean, it is a haven for premium indulgence.

Over a kilometer of sparkling beachfront crystal white sands, swaying palm trees, mood ring skies, and lush scapes of flora encompass villas, townhouses, twin houses, chalets, and apartments.

On a vast 724 acres, Silversands will serve as the go-to beach destination for vacationers all year long, whether for the whole summer, a weekend getaway, or a forever home.

The coastal destination captures the energy of untamed nightlife and the getaway zen of white powdered sandy beaches, unspoiled lagoons, and burnt orange sunsets. The boutique hotels, nightlife, island, and impressive amenities will spoil you rotten.

At Silversands, it's a never-ending momentum. And the best part is, you never have to say goodbye.
