Word from the CEO

"Nothing beats the beaches of the North Coast. But I had to bring the international Mediterranean flavor to our shores in an all-year round living beach community that leaves no question unanswered.

It really is the new pearl on the Mediterranean shore. This destination isn't a matter of trial and error. We have created a Silversands haven before, with the utmost attention to detail, luxury and immaculate experiences.

It's time to introduce this glorious model to Egypt's shoreline."

NAGUIB SAWIRIS, CHAIRMAN

Live, Life...Alive;

Silversands North Coast is a luxurious hospitality destination that is elegantly premium at its core, yet vivacious in spirit. Considered to be Egypt's take on a hedonistic slice of the Mediterranean, it is a haven for premium indulgence.

We give meaning to the concept of feeling alive, Experiencing bites of bursting flavors that make your senses tingle. Feel the sweet shimmers of blues waddle their way towards the shore beneath your feet. As the red purple hues of the sunset rest down upon you, turning the distant view to tinted scarlet and violet

Lying by the beach as the breeze gently touches your skin, As the white noise of beats vibrate in preparation for the nights light, The feeling of sharing every waking moment with those around you, Turning your visions into everlasting memories.

It soaks in like everything else. Come to silversands to live your 'life alive'.

We know people like you

You dip your feet into the warmth of the imuscule crystals of the earth, touched by the form of the Mediterranean's azure shores. You refuse to leave because this is what you deserve. Frankly, there's nowhere else to be.

Silversands is not for everyone, but by the looks of you right now, it seems like it's made for you.

You'd never leave a moment unlived. Or hold off on a good experience. If anything, you search for it. Day and night. Because indulgence is your mantra. You take the unspoiled beauty of God's glory and enjoy the rhythmic momentum of modern luxuries. You find pleasure in watching day and night melt into one as the music moves your picture-perfect view.

You dip your feet into the warmth of the imuscule crystals of the earth, touched by the form of the Mediterranean's azure shores. You refuse to leave because this is what you deserve. Frankly, there's nowhere else to be.

Silversands is not for everyone, but by the looks of you right now, it seems like it's made for you.

A Town Living

~ On Its Own Terms ~

Free living in the middle of the North Coast's most elevated development. Silvertown is a beautiful, private and young space that surges with free-spirited energy right in the middle of Silversands.

It is a commercial island experience in the form of a town that is made for lovers of life who walk barefoot on the sand and never compromise on freedom. It is the most sought treasure that is town-fully equipped on the North Coast, engraved with beautiful European alleys, designer shopping, entertainment hub, opulent medical facilities, a star- studded hotel, enchanting nightlife, a colorful piazza, adrenalin-filled clubhouses, captivating views from all angles, and sun-lit homes that take everyone's breath away.

It is a town for a forever young and shapeshifting tribe that learn to appreciate the full spectrums of luxury, whether that be a simple gradient sky or a gourmet experience. They gather their energy from the rays of the sun, the kinetic energy of the land and the inspirations that life brings forth.

Following the main mantra of Silversands, it is a town living on its own terms.

SILVERTOWN masterplan

SILVERTOWN zoned masterplan

An entire world *in one town.*

You could consider Silvertown to be an oyster with not just one, but many rare pearls.

The Heart is our piazza, surrounded by downtown condos experiencing the bustle and energy in the middle of the town. On the South side is a hotel housing the summer-frenzy visitors of the development on the border of the lagoon.

At the West peak lies the clubhouse/ night bar, providing constant sonic and experiential entertainment for whoever passes by. A little farther up is the second clubhouse that morphs into a wellness center, connecting souls of all ages together.

The third and final clubhouse at the Eastern side satisfies your hunger for fine dining in the evening after a long day of hosting individuals and families with creative activities and experiences.

Like any self-sufficient space should, Silvertown sets the stage for people to experience life in the most dynamic, free and expressive way.

where life, land & water *are in full harmony...*

Under the color-shifting skies of the North Coast,
speckled homes of all shapes and sizes rest in Silvertown.

We have created different living concepts for
TERRA (land), **ALMA (life)**, and **ACCLARO (water)** that
designate each zone of the Town with special attributes to cater
to our resident's needs. This helps us bring like-minded people
with similar energy frequencies and interests together, creating
harmony and alignment in every area of the town.

terra

(noun)

1. meaning “land” in Latin.

Terra was made for those who love to stay grounded and close to the energy they feel from the earth and shuffling sands. They engage with the scenic greenery around them and celebrate functional movements that fortify the bodies. Find your home “land” at one of the villas, twin houses, chalets and condos of Terra.

acclaro

(verb)

1. meaning “clear” or “pure” in Latin.

Water can always induce relaxation and increase the flow of blood to our hearts. The mere sight and sounds near the ACCLARO villas and townhouses purify and clear the mental noise you may have. These homes are for gentle-hearted water lovers who can spend hours taking in the blue gradients of the sea and moon, right from their terraces.

alma

(noun)

1. meaning “nourishing” in Latin.

Some enjoy being on the outskirts of it all. Others love to nourish their souls in the middle of all the happenings. The townhouses and condos of ALMA were designed for the life-loving spirits of Silvertown that want to be in the middle of the excitement, overlooking the bustle of the town’s piazza.

& EVERYTHING  in  BETWEEN. 

The People of Silvertown

The young-spirited people of Silvertown don't share the same roots or life cycle, yet they unite as town residents through their love for richness. They align through the commonalities and love for people, music, culture, and free living.

They spoil their bodies with delicacies. They come together with live music. They blend day and night into each other, and never regret a moment well spent doing nothing other than what their heart desires.

They invite their loved ones to visit and partake in the experience, opening up their guest rooms. They are boundless in spirit and energy, never confined to ordinary routines or schools of thought. They hope from moment to moment, island to island, and on yachts that scream adventure. Walking or cycling is the common language of the town. People greet each other with polite smiles and soft hellos. And when there's nothing but starlight lighting up the dancefloor, they dance together like they've known each other forever.

They listen to nature, be it human or mother nature's messages, found in the encrypted sounds in seashells, the ripples of waves, or the constellations above. They can stride in full designer attire or walk barefoot on lukewarm sand. They are shapeshifters, moving from one vibe to another seamlessly. They may swim in the blue lagoons beyond the borders of their town, but have no curiosity to explore the other side.

Silvertown is their home, and they don't want to be anywhere else.

Amenities

Lagoon

Shapeshifting Experiences

88,000 SQM of lagoon surrounds The Heart's outskirts, providing a beautiful blue spectacle and cooling energy that tranquilizes the sunbeams and hot sand. A go-to spot, the people of the town take morning walks or night strolls around it.

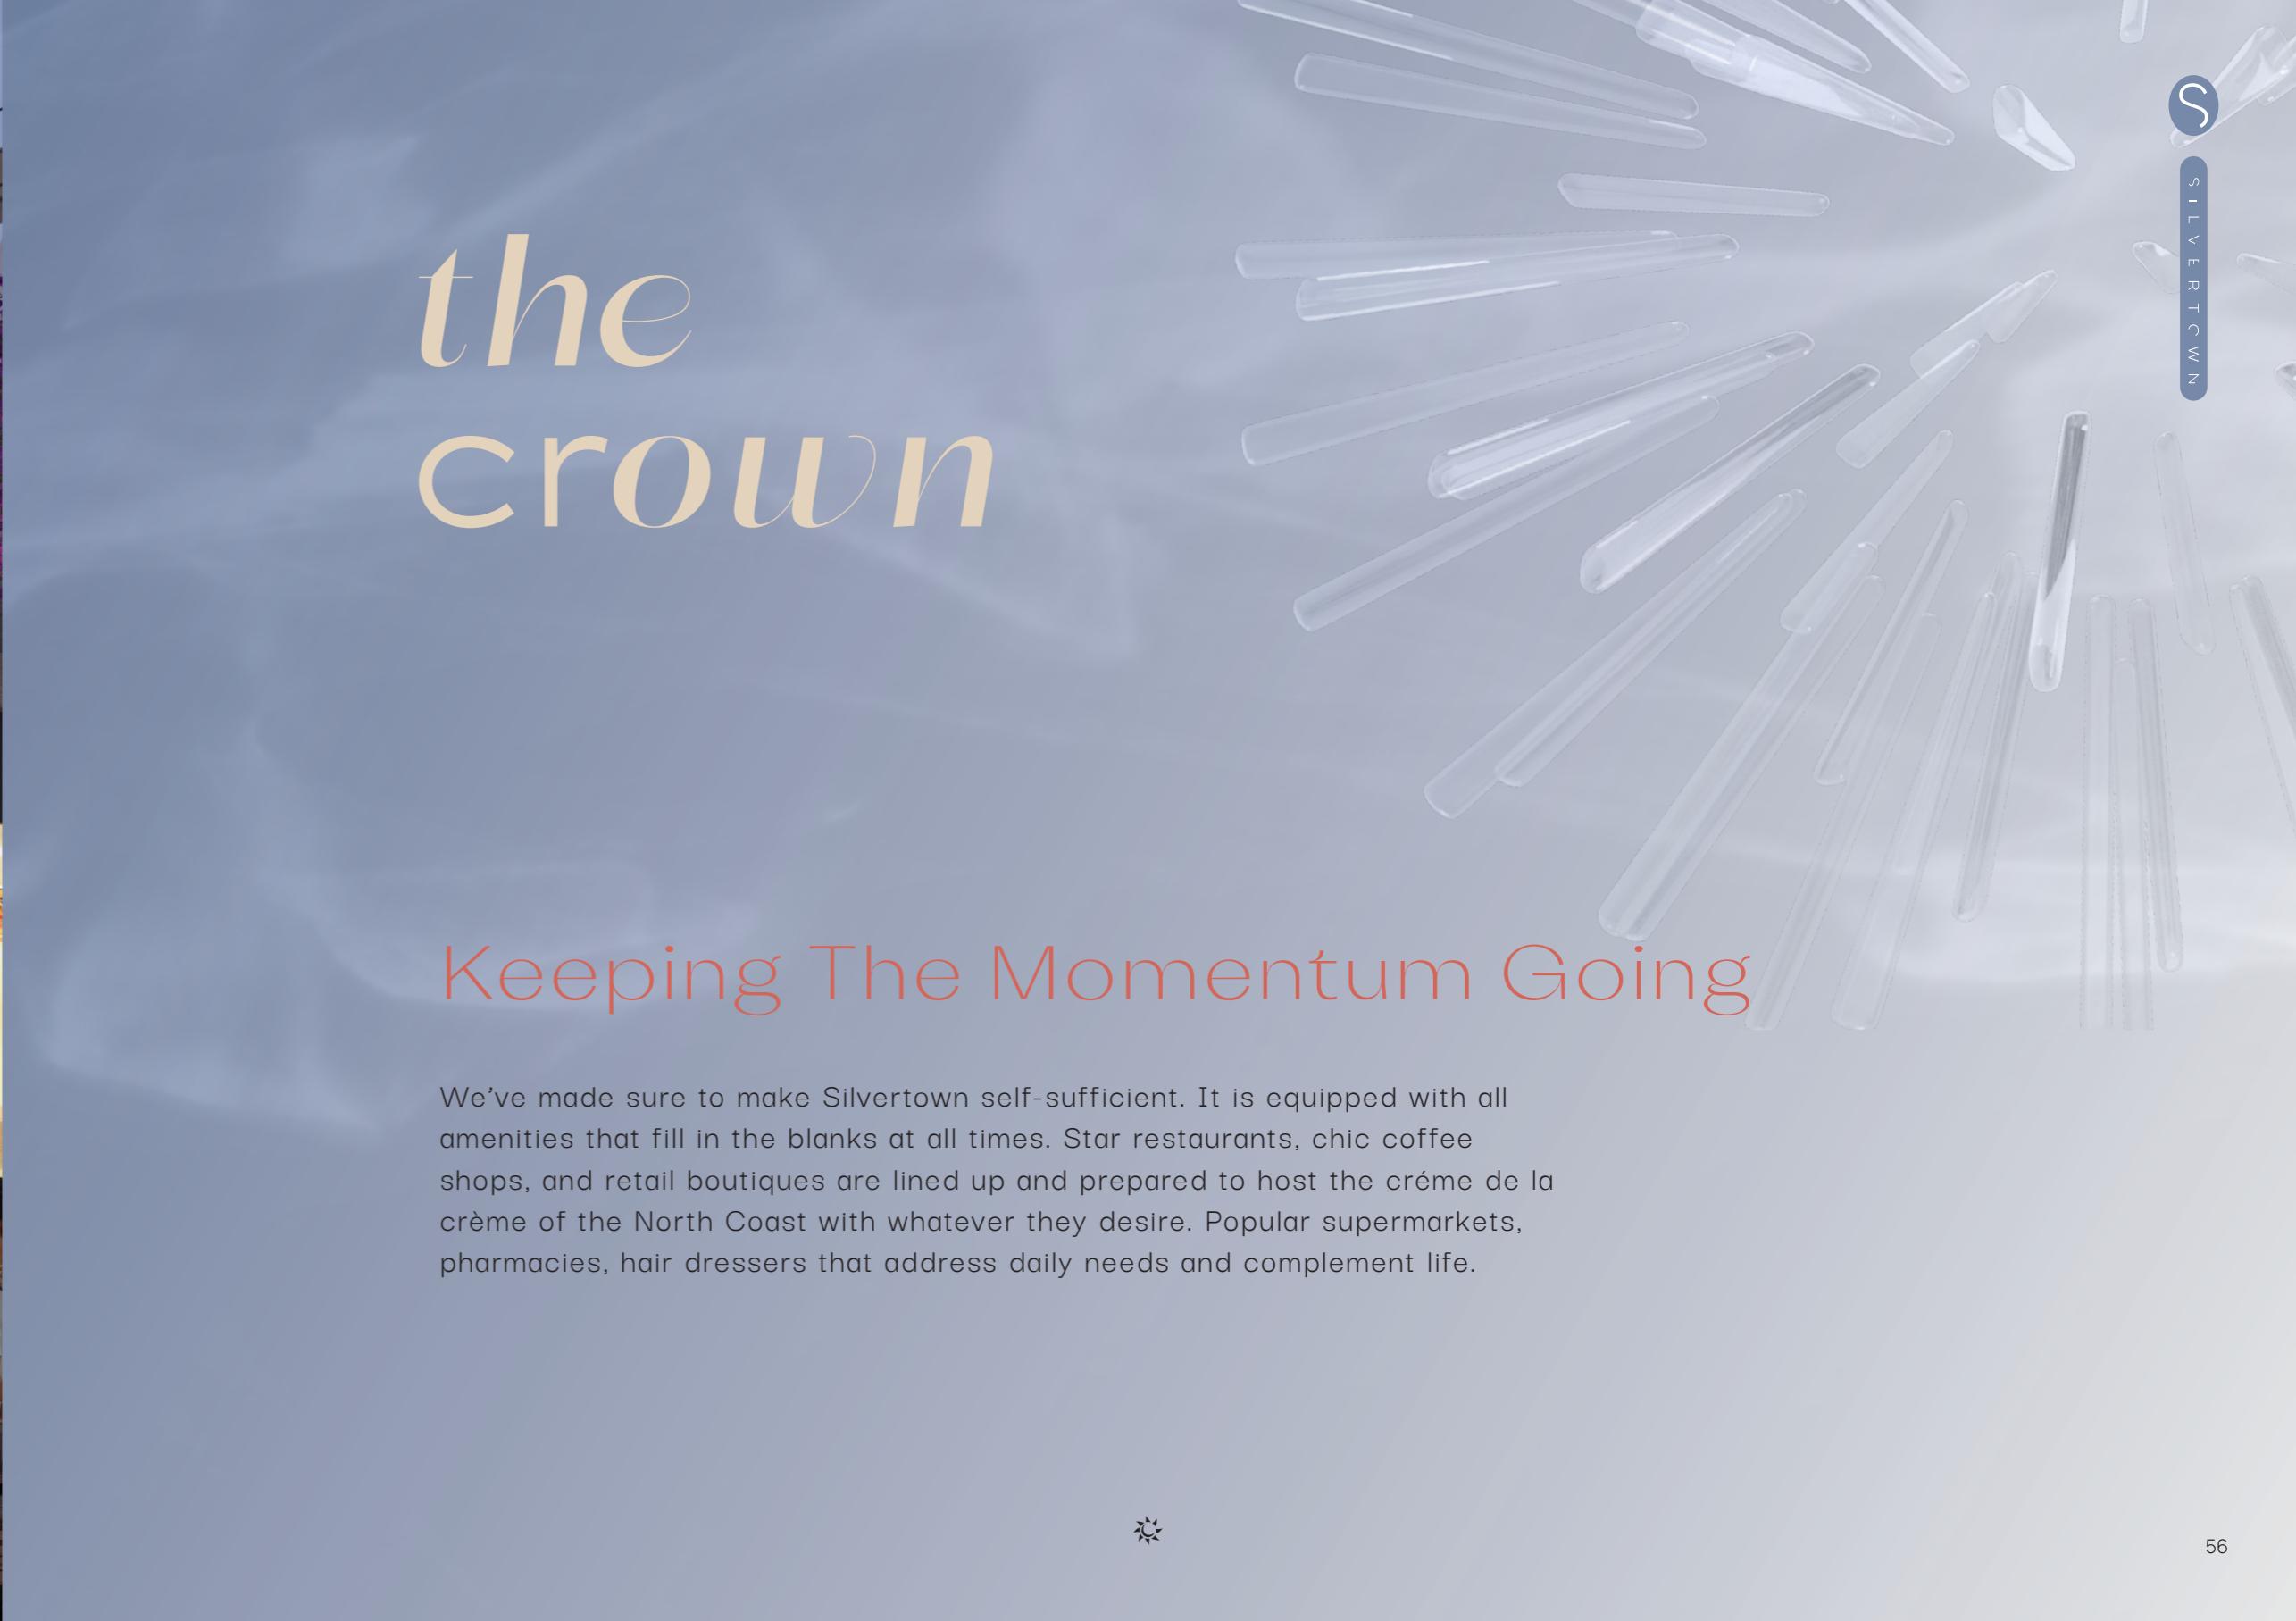

With a stylish, sophisticated setting, the lagoon clubhouse metamorphs from a place filled with daily activities to a fine dining/nightlife venue. No space ever goes to sleep at Silvertown because life is too short to miss out on.
